Excavations for buildings or site improvements shall not be started, or buildings, structures, or parts thereof, shall not be erected, altered, or moved, until a proper zoning permit has been applied for and approved by the Village Administrator. Please be advised that a building code permit may also be required and it is the sole responsibility of the applicant to apply for said permit, if applicable. **Applicants must provide a drawn to scale plan showing actual dimension and shape of lot, exact sizes and locations of existing buildings on the lot, and locations and dimensions of the proposed buildings, structures, and/or alterations. The applicant shall verify any existing easement(s) and/or right of ways.** It is not the duty of the Village of Swanton to enforce deed restrictions; this is a matter between the property owner and developer. A zoning permit shall be charged whether construction for appropriate structures are new or for alterations on an existing structure. Any permit issued upon false statement of any fact which is material to the issuance hereof, shall be void. All permit fees are non-refundable.
